

This architectural site plan illustrates a residential development layout. The plan features a central cluster of buildings and parking areas, surrounded by a network of streets and individual lots. The lots are numbered 1 through 52, with some numbers appearing in red circles. The streets are labeled: VIA LANDI on the left, VIA MATELLAR on the top right, and VIA PRADOLE on the bottom right. The plan includes detailed drawings of buildings, parking spaces, and road infrastructure. A specific area is highlighted with a red border and labeled 'PARTICOLARE B'. The overall layout shows a mix of building footprints, open spaces, and a well-defined street grid.
